Re: Public Records Request received March 22, 2019

Dear Sarah Hoffman:

This letter further responds to your public records requests received by the Mayor's Office, the Port of San Francisco and the Department of Homelessness and Supportive Housing on March 22, 2019 via email regarding "the proposed Navigation Center at Seawall Lot 330".

This also responds to your follow-up inquiry to each of those departments on April 10, 2019 regarding rolling production.

Response Dated April 11, 2019

Thank you for following up. We are continuing our search and review of potentially responsive documents. All three of the departments subject to your requests previously invoked an extension of time to complete our response for up to 14 days under Government Code § 6253(c) and San Francisco Admin. Code § 67.25(b). Due to the volume of potentially responsive documents and the need to coordinate among the various departments as well as with the City Attorney's Office, we anticipate beginning our production of responsive documents on April 15, 2019, and will continue to produce responsive documents on a rolling basis thereafter.

We will endeavor to fully process your request as quickly as possible. If you have any questions regarding your request or would like to send another public records request, please do not hesitate to contact the Mayor's Office at mayorsunshinerequests@sfgov.org.

Sincerely,

Hank Heckel
Compliance Officer
